

DIRECTEK™

Ideal upgrade for presbyopes ready to switch from a cast progressive.

DirecTek™ is a full-backside progressive design at an affordable price.

New technology lenses your practice needs.

Give your patients the benefits of digital technology and a great design:

- Soft design for easy adaptation
- Digital application for a more accurate prescription
- Two corridor lengths to cover multiple frame shapes and lifestyles
- Comfortable placement of viewing fields for work and play

Minimum Fitting Heights:

DirecTek = 16.5mm / DirecTek Short = 12.5mm
