

**More
Comfortable
Precise Viewing**

KODAK Precise Plus Lens

A New Level of Precision

The KODAK Precise® Plus Lens design offers a gentler distribution of cylinder power for more comfortable viewing overall. It includes all the benefits of the KODAK Precise Lens family with Vision First Design™ Technology:

vision
first 

**Smooth progression
of power** for a soft
design that allows
fast, easy adaptation

Binocular balance for
quick, sharp image
recognition
Reduced swim effect

**More natural head
and eye movement**
for a visual experience
similar to a single
vision lens

KODAK Lens

Everyday Wear

For work or play, KODAK Precise Plus Lenses offer great distance performance, rapid transition through a broad corridor and a generous, clear reading zone.

They are available in clear, photochromic and polarized lens options for a variety of activities and lifestyles.
